SUBJECT: Significant Activity

25X1 The Clearance Division has begun processing applicants for the Office of Communications granting a Provisional Approval to hire them in an unclassified capacity awaiting the completion of the background investigation. The applicant, either a Communications Technician or Engineer, is polygraphed prior to the Provisional Approval and then is assigned to unclassified training [ ] Upon completion of all the security processing, full staff access will be approved for these applicants. This method of processing is being adopted to avoid losing those applicants who cannot afford to wait for complete processing.
